Sounds good to me. I'll hold that time. I assume you will be setting up a teleconference room and will be sending out instructions and codes?

I will not be available on Friday of this week, and I will be out on a construction site tomorrow morning. I should be back in the office around 11:00/11:30 a.m. (Pacific time zone). So anything after 12:00 p.m. would work.

Hi John and Devlin,

In light of recent developments at SVEC I think we should talk. Please let me know your availability for late this week and early next week. Thanks.
